What a year 2018 was for our partnership in reaching out to the Second Half Population. A GREAT Camp-Meeting, two wonderful fall trips, time spent with family, moving to a new location in Conway, AR and at this time we have returned to Del Pueblo RV park in Yuma, AZ and begun our services. Many people have returned and shared how they have looked forward to church services this year. God has been so faithful and your prayers and financial support have helped us to keep “keeping on.” It is God who works in and through us and we give Him the glory. We are honored to be your hands and voice extended to this needy population. We pray that the presence of Jesus will be more real to you as we move forward in a new year!

Our Southern Missouri fall trip went to Door County, Wisconsin on the Lighthouse Tour where we climbed up several lighthouses, sailed to an island, ate at a Norwegian fish boil, and were blessed by God’s presence.

As pioneers we travel, much easier than in a covered wagon, and we pray...Jesus use us...for surely there’s a work we can do. Lives are changed when we preach the Word.

We led the Second-Halfers from California to San Antonio and enjoyed a ride on the Riverwalk.

Crossing the water where Lake Michigan and Green Bay come together to get to a lighthouse.

Praying for Gerry our bus driver to Texas who rededicated his life to the Lord. Pray for him that he would find a job so he could stay at home with his family!

A highlight of the San Antonio trip was visiting The Coming King Sculpture Prayer Gardens in Kerrville, TX. You should see it.

At the Prayer garden Christ comforts a mother who lost a child....

In 2018 we ministered in many states from California to Ohio, Indiana, Wisconsin, Kentucky, Missouri, Arkansas, Arizona, Texas and the harvest is still great. TOGETHER WE ARE PURSUING God and souls. You are helping us. Thank you and HAPPY NEW YEAR TO YOU!

Jesus is still our Lighthouse who can save anyone from the rocks of sin!
