WOW, half of 2019 is almost over, and I'm still thinking about a new year. God has been so good to us this year -- lives changed, bodies healed, visions given and the supernatural presence of God. **YOU** are making a difference across the nation in reaching the Second Half Generations! Your prayers and support help to keep us going. We want to share in pictures about the first half, and need your prayers for the Second Half. THANK YOU for your sacrifices to this ministry!

We started 2019 ministering in Yuma, AZ at the Del Pueblo RV Park. Friends: Mike & Barbara West, Bill & Lois Crow, and Ron & Joan Keller came and helped us for much of the season. What a blessing they were. We did not know how many would come but by the end of March we had averaged in the 80's and 90's. The clubhouse we use is also used for Saturday night events. Here was a Cowboy event (with jail and saloon). I had to adapt to the situation so we just sang, "He Set Me Free" and "Fill My Cup Lord," and preached Christ! Preaching, hospital visitation, a funeral, and lots of fellowship is what we did! We plan to return later this year and see what else God will do. Pray that God will draw people to Jesus! Other friends, the Biblers and Vander Schaafs from CA visited us. Great folks!

The Bible study on Tuesday was held in the "Card Room!" We went from 14 last year to 28 this year and need a new room. God answers prayer!

Our annual Camp Meeting at the Lake of the Ozarks was great with numerous healings and a supernatural presence of the Lord. Our theme, "Old Time Camp Meeting" complete with some dress from yesteryear was graced with God's power and presence. Can't wait until next year. Plan to join us May 14-16<sup>th</sup> 2020!

Most of you have heard of the historic flooding on the Arkansas River. We helped sandbag one house (our house is fine). The water was out by the BIG tree. The next day the water had come up around the house. Pray for those impacted.

A Pentecostal church almost submerged near Ft. Smith, AR

Recently we had a service in Lee's Summit, MO. Tornado sirens sounded, and we took the service into a hallway and kept singing. "Keep Me Safe Until the Storm Passes By." God did! Hallelujah!

For the rest of this year, we will be attending General Council, speaking in Georgia, then leading two bus groups and spending some time with Judy's 96 year old mother and our daughter's family. More information on our website.
