

# 50 Plus Information for 2020

Happy New Year Southern Missouri 50 Plusers!

Welcome to 2020! We are declaring by faith 2020 to be a year of Miracles. Pray with us that we will see God move in many miraculous situations, your life, your family, our churches and our nation. We all need God to show up and 2020 can be the year!

**CAMP MEETING** We have some exciting events planned for 2020. In just a few months the great Camp Meeting will be May 14-16 at the beautiful Lake of the Ozarks! Our theme this year is "2020 Vision!" See the poster for more information. Last year's meeting saw some supernatural signs occur and we can't wait to see what God will do this year. He is faithful!

We have invited Reverend Tony Burrows and his wife to return and lead the meetings. They will come prayed up and prepared to see God move! Of course the great food, fellowship, Olympic events, product tables and great Old Time Pentecostal singing will highlight the meeting. We have shortened the Camp Meeting one day, lowered the price considerably to allow people to come, but Saturday will be a full morning service with some surprise speakers you won't want to miss!

Plan now to attend and bring a friend or pastor with you. Pastor and spouses can come free so tell them about it!

**FALL BUS TRIP** This year's fall trip will be international in scope as we head toward Canada, Nova Scotia, Prince Edward Island, and St. John's. This trip will be our longest trip (14 nights) and because of its length the most expensive we have ever taken. We'll spend three nights in beautiful Maine and see the scenic National Park "Acadia." Five nights in Canada. Remember the movie "Anne of Green Gables?" We'll go visit the historic home on Prince Edward Island. We'll visit the most photographed lighthouse in North America at Peggy's Cove in Nova Scotia and visit the capital Halifax (more people from the Titanic are buried in Halifax than any other place.. come find out why?) CHOCOLATE lovers will enjoy our stop at Hershey's PA. Museums and historic places like the National Civil War Museum in Harrisburg, and Kings Landing Historical Settlement in Canada as well as more lighthouses and beautiful scenery in the fall will make this the trip of a lifetime. Of course there will be time for shopping in cities as well as quaint villages and eating (**26 meals are included in the trip**) You will need a passport so begin NOW to start preparing to go with us to Maine, Canada and all the places in between.

**NATIONAL SENIOR ADULT CONFERENCE** September 3-5 in Branson. Come and be with over 1,000 50 Plusers from across the nation and learn what the latest information and ministry is in reaching our generations! (go to: [www.ag.org/sam](http://www.ag.org/sam) for more information.

It's going to be a great year and we hope that you will be involved in all the activities.

God bless you!
