What a year 2020 has been. At the start of the year, God spoke to my heart that this would be a year of MIRACLES...we saw evidence of that early and then as the year progressed I thought, it may be a MIRACLE we make it through this year! **Through COVID, CONFUSION, and CANCELLATIONS, we have already come. His grace has brought us safe thus far, and grace will lead us home.** Sadly, deaths, disasters, and disappointments have touched most lives this year, but God is FAITHFUL! Believe with us that 2021 will be a year of spiritual awakening and a harvest of souls.

Our annual Camp Meeting at the Lake of the Ozarks was cancelled, but we had our first ONLINE Camp Meeting and over 800 people from across the country joined us. Next year's meeting will be at the Lake of the Ozarks. We hope you will come May 20-23 as we join old and young in: Pentecost-Generation to Generation! Next year, our bus trips will be going to Vermont and Kentucky. Plan to join us!

We had several online Hymn Sings that many have commented how they encouraged them while "stuck" at home! Like many churches our missions services were cancelled for months, but **YOUR faithful support has sustained us. THANK YOU!**

In November, we plan to return to Yuma, AZ and pastor at a RV park telling people about Jesus and sharing His love. Please pray for us during this Winter's ministry! We did take a 3400 mile trip through several northern states, masks and all, exploring places for the future. Here's some pictures:
