**FIRST HALF OF 2021**-Covid and its impact upon our world also affected the RV ministry in Yuma, AZ. The Canadians were missing because the border was shut down. Our attendance was half of last year's but, in spite of that, God was among us and there seemed to be a greater hunger for Him and interest in spiritual things. Here's a few comments from the winter church in Yuma: **Dwight and Cherie Shank**-We were not thrilled about going to our home church service each week, but we are excited about coming to church here. **Bob and Jean Johnston**-When we came to the first service, my wife said I feel at home here. **Chuck and Anne Golden**-You made our church what we dreamed of from the beginning. Thank you so much for bringing a great church service. **YOUR PRAYERS AND SUPPORT CONTINUE TO ENCOURAGE US TO KEEP ON KEEPING ON! THANK YOU**

Camp Meeting 2021 at the Lake was a wonderful time of Revival and Miracles. Friday night, God came by in a powerful way and healed many people. Testimonies confirmed His power! Several new churches brought groups to the meeting. Join us next May 19-21, 2022!

Revivalist/Pastor Dwayne Maynard from Little Rock represented the younger generation and challenged to seek God for greater miracles in the last days!

Martha Tennison represented the "50 Plus" generations and her anointed messages blessed us all!

Powerful times around the altar changes lives, churches, and a nation! Keep praying-God still answers!
