A wonderful year for the Second Half Ministries in reaching those in the Second-Half of Life. From Camp Meeting to Conferences, General Council and bus trips, God has been opening more doors to reach more souls! Your prayers and financial support helps us to keep going and going and going, for over 20 years now! We give God ALL the glory and you our friends ALL the thanks. God is up to something BIG, I sense it, and I hope you do too. Let's see what happens in 2026. Looking back over the second half of this year gives us reason enough to say: Thank you for giving to the Lord!

BULLET POINTS:

- We attended the General Council in Orlando, FL in Aug.
- Preached for 90 year old pastor Ethel Buckallew in Kansas City (assistant pastors Ron & Kathy Douglas - see picture).
- Preached in Pittsburgh, MO for pastor Toby Halfacre. His praise team are all 50 Plussers! (see picture)
- Wrestled an alligator on our bus trip in Louisiana (see picture).
- Spoke at a Community Conference at River of Life AG Boonville, MO
- As you read this, we will be heading toward Yuma, AZ to continue ministering to the Second Halfers at Del Pueblo RV Park.
- Thank you for "helping us to help others"!

Left upon the altar...Praise God — people are getting delivered from bad habits!

Some of you have seen "David" at the Sight & Sound Theatre in Branson. My friend Tom Hess has worked "behind the scenes" for many years. Here he is with Goliath back stage! Thanks Tom!

MERRY CHRISTMAS TO ALL OF YOU!
